### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: None of the references of record teaches or suggests the claimed process for producing an image display device including growing semiconductor crystal grains in a transverse direction in a semiconductor film by modulating a continuous wave laser in time into a pulsed laser beam and irradiating it on the semiconductor film such that melting of the semiconductor film and growth of the semiconductor crystal grains are controlled by the same pulsed laser beam.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
